Awards and Reviews

“My experience at Claim Academy has been one of the best in my life. While at Claim I gained a world class experience in computer programming”.

- Jessica Tucker, now at Mastercard

“It was only three months ago that I started dreaming of a new career, and a new life. Thanks to Claim Academy, that dream is now my everyday reality”.

- Claudia Sittmann, now at Slalom

Current State of Geo Talent Market

An age of
competency over
credentials
